

Imagine if "Support the Troops" was not just a bumper sticker

and you were given the opportunity to do something ...

Opportunity 1:

Every two months 68 care packages are sent by the Marine Corps League volunteers with donations of items to make our troops service a little bit easier. These include pencils and paper to write home, toiletries and zip lock bags as well as other donated items. The troops now are requesting white socks and olive green t-shirts.

The next shipment will be October 7th and we are gathering items now.

If you have items to contribute:

Please drop donations off at the Marine Corps League at 200 S 9th St., Richmond, IN 47374 (765) 966-5283.

Opportunity 2:

For the last five years the Marine Corps League has collected 'Toys for Tots' to be distributed in the Richmond community at Christmas. In 2006 more than 4,800 toys were distributed to 1,600 children, valued at more than \$40,000. Toy collection will begin this year on October 1. Please look for the donation barrels throughout Richmond, and contribute a new, unwrapped toy, or call 765-966-5283 for assistance.

Opportunity 3:

In October, 2007 the Richmond community in partnership with the Marine Corps League and Richmond Art Works will record a CD that will be sent to our sons and daughters, brothers and sisters serving in the Middle East.

If you would like to add your voice, please join us and Carol Lou Woodward at

Joe's Pizza, 911 N. 'E' Street, Richmond, IN., on Friday, October 12th at 6pm.

If you have questions or would like to do more than display a bumper sticker, please visit or give us a call.
